REPLA- Red Europea de Política Latinoamericana
(*European Network on Latin American Politics*)

“Latin America Between Interactions and Transformations: Rights, Politics and Development”

German Institute of Global and Area Studies (GIGA)

Institute of Latin American Studies

Hamburg, Germany

September 14th– 16th of 2011

Themes of the Workshop: See panel outlines in the other attachment (available in Spanish only).

What is the European Network on Latin American Politics?

REPLA is originally a joint venture between students from the University of Oxford, the University of Salamanca and Sciences Po Paris, which now include other Universities and Institutes such as Universidad Externado de Colombia and the GIGA- Institute of Latin American Studies. It aims to facilitate the sharing of ideas, projects and investigative work among postgraduates, academics and other interested groups. The objective is to strengthen academic exchange between European universities with strong academic profiles in the field of Latin American politics, the REPLA.
